2020 VISION

Every January we feel the impulse to become a better version of ourselves: we resolve to kick habits, exercise more, eat better, spend money more wisely, etc. And every year we are reminded that the path to this change is neither magical nor instantaneous. It's usually found in getting **clear** once again on basic principles of life and committing to them again.

Now as you work on cutting out the sweets, revamping your budget, becoming a better spouse, will you make it a top priority to **refocus** on your relationship with God; the source of the most important change?

For the month of January, as a church we will be challenged to refocus on our relationship with God by addressing four questions that are critical for seeing Jesus more clearly:

What will I fill my mind with [**Truth**]?

What? Commit to taking in more of Scripture into your mind.

How? Use a Bible Reading Plan; download the Bible App; join Bible Study Fellowship or a Small Group; attend our Tactics class; take a class online; attend church regularly.

What will I cut out of my life [**Character**]?

What? Identify what you've allowed in your life that is clouding your vision of Jesus. It can be a sin, an attitude, or something good that you're giving too much attention to. Commit to cutting that out of your life.

How? Pray; find an accountability partner; contact one of our pastors or elders.

Who Will I Spend Time With [**Community**]?

What? Commit to joining a group of Christians who gather together to encourage each other in their faith.

How? Join a small group or Bible Study; volunteer to serve in a ministry; attend ministry events.

Who Will I Reach Out To [**Mission**]?

What? Identify one person in your life you want to embrace Jesus. Commit to reaching out to them.

How? Pray daily for them; include them in your life; invite them to church; attend our Tactics class to learn how to engage them in conversation.

"...train yourself for godliness; ⁸for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come." - 1 Timothy 4:7&8

Worship Ministries, Opportunities to Serve

Each Sunday, we are blessed to have a team of individuals leading us before the throne, in worship of our Savior. Whether on the stage or in the sound tech area, each member is a vital part of our worship ministry. **We are currently looking for individuals who may want to join us in one of the following areas.**

- 1. Worship Band:** Skilled keyboard players to play once or twice a month.
- 2. Visual Technicians** | the person who runs the prepared slides on the computer for Sunday morning services. [training available].
- 3. Video Technicians** | camera station people. [training available]

Giving of Our Regular Tithes and Offerings.
Ministering together in His name.

In light of our current need to balance our giving and fiscal budget ~ we want to encourage everyone to prayerfully consider giving \$30 more a month, or begin giving as part of your regular worship to the Lord. Our leadership will continue to monitor our giving & budget needs, and if necessary we will modify the budget to be wise stewards of our finances and minister as the Lord leads.

Ways Our Church Family Can Give:

- **Offering Envelopes** are provided in the pew rack for your checks or cash offerings on Sundays, as a part of our regular acts of worship.
- Set up “**Bill Pay**” through your bank, for regular giving, to avoid extra cost associated with processing a credit card payment.
- **Giving Online** @ www.sheltonfbc.org. A secure resource on our web page, for credit card giving on a one time or reoccurring basis.

Please note: Credit Card payments have an added cost to FBC of 3%.
Please consider adding 3% to your payment with this method to cover added costs.

Questions: Please contact our Financial Secretary Val Robbins, val@sheltonfbc.org
