Sparrow Care Ministry presents a Safe Families Informational Meeting February 18, 6:30 pm. at PUD#3 2621 Johns Prairie Rd.

Safe Families for Children is a movement exemplifying biblical hospitality that keeps children safe and families intact. We surround families in crisis with caring, compassionate community. This movement relies on local churches, Host Families, and a network of support, to open their arms, their hearts, and their homes. At this meeting, Todd Hobert from Olive Crest sharing and answering questions. This meeting is for people who are interested in becoming a host family, a family advocate, those who work with vulnerable populations and want to find out more about this resource, and anyone who would like to know more about this ministry. This meeting will be a great first step in helping us to make a difference in our community! There have been 35,000 hostings from 70 cities in the US, with the incredible statistic of 97% of children returning to their families instead of entering into the foster care system. This is an amazing opportunity for the church to step in and help families and keep children safe. Q's contact Amy Rieck at (360) 790-8139

HS AND MS YOUTH GROUPS

High School Youth Group:

2020 kicked off with an opportunity for our students to Reset, Restart, and Refocus on Jesus. We've relaunched our time in God's Word. Praise God for so many students doing daily devotions.— YOUVERSION Bible App.

Our summer discipleship trip is set, and this is the biggest trip yet! We'll partner with YWAM Idaho for our ten-day-long Big Summer Missions. The first four days will be spent at a camp near Warm Lake. This mountain location has no cell phone reception and will be the perfect place to focus on our relationships with the Lord, worship, grow together, and prepare for our outreach. The outreach portion will be spent in Boise.

Partnering with **YWAM** Idaho, we'll spend a week working with the large refugee population. Boise has a long legacy of welcoming people who are fleeing persecution, often with only the clothes on their backs! Our students have a chance to build relationships, share the Gospel through VBS and music. The trip will be unlike anything we've ever done, and I cannot wait to see all God will do.

If you have questions about the trip, contact Pastor James. Our students will begin fund-raising shortly. Feel free to share ideas, resources, prayers, or words of encouragement!

Middle School Youth Group:

Our 6th-8th grade students are launching into 2020 by going back to the basics. We're answering the fundamental questions like, "Why did God create us?" or "Why is life hard?" or "Why do we need Jesus?" **Praise God for all the students piling in C3 each Wednesday.** It is full of life, energy, and sweat.
