What's new...

“Ten Truths for a Changed Life”

We sometimes think of the TEN as out of date, but God's Word, as always, is relevant for yesterday, today and tomorrow. So come and listen with a fresh perspective, to what God is saying to us individually, and as a church.

FBC “Families Reaching Families” Building Project.

- PERMITS and PRAYER:** We submitted all the necessary paperwork in March, but have not received our permits from the City, as yet. We want to encourage everyone to PRAY earnestly for the process by which we receive our PERMITS to begin Phase 1—our secure Children's Ministry Area. We will be submitting the Phase 2 permit documents soon – please be praying for that as well.
- PREPARATIONS:** We are beginning to sort through our Library area where the New Elevator will eventually be going. Please TAKE any BOOKS or Media you would like to have. This will help us prepare that area for Phase 2 - Entrance and Elevator.
- GIVING:** Many of you have been giving extra finances to go toward our building project, and we want to say THANK YOU again for your faithfulness. Anyone can begin giving at any time, just contact our office at 360-426-8461.

FBC Staff Family / Brian & Mistelle Huskey

Have you heard the great news??? Mistelle received a long awaited Kidney Transplant, on May 26th, at the UW Hospital in Seattle, and everything went very well. **What Now??** Brian and Mistelle will need to stay in Seattle, near the Hospital as she will be monitored closely for a number of months. Yep, months! Brian is our Custodial Manager, and we want to ensure their family needs continue to be met. **Ways you can help** are: **Pray** for and **Encourage** them often! **Gas or Visa Cards** to help with extra expenses. **Volunteer Time**, to assist our Custodian Bill Tondre with some specific building care needs while Brian is attending to Mistelle. Thank You:

33 high school students will be packing their bags and leaving town on July 2nd! Our week long mission and training trip would not be possible without the support this amazing church family has given. Your work projects and donations have made all the difference. Please note we still have students to support. Visit us in the family center if you would like to hire or support our trip. Our team says THANK YOU and looks forward to sharing when we return.

JH Youth:

What an amazing and crazy year at youth ministry. This school year has averaged over 35 6th-8th grade students per week! Praise God for each opportunity to plant and water! JH youth ministry does not meet every week but we are planning special events for the summer.

Our last regular meeting is June 20st, 6-8pm.
