Worship Pastor Ryan & Mary Clair + family

An introduction from Pastor Jake: Ryan Clair has accepted our invitation to be the Worship Pastor at Shelton FBC. I've known Ryan for nearly 20 years, and let me tell you, he loves Jesus more than anything. As we experienced on the Sunday he led, God has given him an ability to express that devotion through music; leading the church to see and respond to His worth through song.

He comes to our church family with over 20 years of experience as a worship leader, serving in small churches, rural churches, and larger multi-site churches. I have a strong hunch that God is going to use his addition to our church family to bring great blessings to our church and community.

Ryan comes with a wonderful family; Mary his wife and their five children: Ava, Oliver, Owen, Oakley, and Otto. We look forward to welcoming the Clair family to our church family in August. Please pray for all of the challenges associated with moving a family from another state, specifically, for the sale of their home and the purchase or rental of one here. We're so excited about this wonderful family joining ours. **God is on the move in our church.**

Our Women's Study Groups coming this fall.

Women's Monday Night Bible Study

Begins in September.

Facilitated by

Beth Williams and Tracey Core.

These New Precepts, **no-homework, 6-week studies** are an easy introduction to inductive study, a unique format that includes Scripture alongside the text. Zoom in on the issues you care about and learn to think about them as God does. These focused, self-contained studies guide you into God's Word one topic at a time, 6 weeks at a time, with no homework.

Women's Precept Bible Study

Wednesdays 9:00 —10:30 am.

Our NEXT STUDY, begins September 5, 2018.

GENESIS THROUGH REVELATION

We will begin our journey through the Bible together.

I would like to personally invite you to prayerfully consider learning How To USE the Inductive Study Approach. If you know there is more to the Word of God than you have discovered so far... If you sense there must be concrete answers to the complexities of life... If you want a bedrock faith that keeps you from being tossed around by conflicting philosophies in the world and the church... If you want to be able to face the uncertainties of the future without fear...then *The New Inductive Study Bible*; Bible study is for you. God's eternal, infallible Word is your guidebook for all of life, and inductive study gives you the key to understanding that guide.

Inductive study, a method that brings you directly to the Word of God apart from another's understanding or interpretation of the text, involves three skills: observation,

interpretation, and application. When you know what God says, what He means, and how to put His truths into practice, you will be equipped for every circumstance of life. Ultimately, the goal of personal Bible study is a transformed life and a deep and abiding relationship with Jesus Christ. Please don't hesitate to contact me if you'd like to learn more about the Inductive Study Approach. God bless each one of you for your faithfulness to studying God's word. All for His Name and His glory!
