FBC Family,
We are currently in the series of:
HIS|STORY, The Gospel of John.

History is God's story of creation and restoration. The world is broken. We broke it and keep breaking it. But God has promised to put *it* and *us* back together. Though fallen, we are greatly loved. We are loved enough that God enters history as a man to alter our story to change our destiny. We pray your heart will be captivated and shaped by Jesus' mission to make you and all things new.
